TBC August 2022

Your Request:

I would like to be informed of all the contracts between your Integrated Care Board and all non-NHS providers for health, mental health, children's services, and social care services in your ICS area, including the start and end dates of the contracts. I realise that some of this information will be held by the councils within your ICB area, so I need only the part of that information that you hold.

This information should include contracts that have been inherited by the ICB from the previous CCG(s) that had commissioning duties in the area until the 1st of July. And for the purposes of this FOI request, "NHS providers" are NHS Trusts and Foundation Trusts, which means that by non-NHS providers I mean private companies, charities, social enterprises, etc.

Our Response:

Please find enclosed '*21-22 ICS TRANSITION - CONTRACT REPOSITORY*' spreadsheet document, which details the information held by NHS Cheshire & Merseyside ICB regarding the contracts between the ICB and all non-NHS providers in our area.
