For anyone attending an event at the stadium there are signs that state there is a Maximum of 3 Hours Parking (90 Mins on Match Day), this is however to deter any Fans using their facilities on Match Days.

All guests arriving at the stadium shall use **Entrance A** (See map below) and will be directed by a member of the team on entry. If you are attending an event in our largest space the **40/Twenty**, all guests on arrival must use **Entrance B**.

We politely ask that NO guests are to park in front of the Stadium Shop under any circumstances.

The parking scheme is operated via Tesco's ANPR system, and the stadium takes no responsibility or liability for any guests not following the above procedure. The stadium has no right of appeal for any fines levied and you will need to refer to the parking company directly. The stadium has many spaces within the Tesco car park however for busy event days the stadium operates an additional overflow carpark (advertised at car park 1, Blue Square below) off Dallam Lane.
